

NOTE: Per the Rules & Regulations of the North Texas State Soccer Association, our governing body, the following are the only allowable reasons for the protest of a game:

3.13.1

There are only two acceptable causes for the protesting of a game after it has been played. They are:

1. A team knowingly plays an unregistered, ineligible or suspended player; or
2. There has been an obvious error made in the application of the Laws of the Game that directly affects the outcome of the match, and the referee admits it.

3.13.2

No protests can even be entertained if they are based on judgment decisions made by the referee during play. The Laws of the Game clearly state in Law V (Referees) that..."A referee shall be appointed to officiate each game...his decisions on points of fact connected with the play shall be final, so far as the result of the game is concerned". A game cannot be protested because one coach, or both for that matter, thinks the referee is incompetent. This is a matter to handle through the local referees' group or the State Referee Committee.
